SIERRA MADRE, CALIF. THURSDAY, APRIL 13, 1950.

VOL. 44, NO. 22.

ELECTION SUSPENSE is evidenced in the faces of these city officials and interested citizens, as results of Tuesday's municipal election start coming in. The clock in the City Clerk's office reaches 9 p. m. as telephone report from one of the precincts is received by Mrs. Dorothy Murphy (seated at left). City Clerk Lawrence B. Brain records the votes on a "tally sheet" as Councilman Henry Korsmeier, Frank Spencer, and City Attorney T. Guy Cornyn look on.

### Around the Square

Harry Lange doesn't enjoy feeling that his shoes are glued to the pavement when he strolls down Kersting Court sidewalks. He suggests a "gum-removing campaign" to rid the business district of this "unsightly and unsanitary condition."

One of the major disappointments of the week was chalked up by the city volunteer firemen. Members of that organization toiled all Friday evening drying hen eggs and packing bags of candy—only to have it rain Saturday afternoon and ruin their annual Easter Egg Hunt.

Mayor J. Milton Steinberger, on behalf of the city, was presented with a gold-framed color picture of Sierra Madre's prize-winning Rose Parade float. Awarded by the Tournament of Roses, the picture will join three others in the City Hall.

Sighs of relief were audible around the square this week as men learned that, beginning Saturday, they may lay aside their razors until June 10. The recess from shaving chores is occasioned by the annual beard-growing contest of the Pioneer Days celebration.

Dr. Adele Howland takes her writing seriously, and she meant it when she put a classified in this week's edition for a "girl about the house."

Dr. Howland admits to being the absent-minded professor type, and, as her ad points out, she wants a girl to keep track of things—particularly her eye glasses and her teeth. These two items, she says, are always getting mislaid when she is in the middle of a novel.

A secondary duty would be to keep her pen filled with ink.

As the election campaign went into its last pulse a few people around the square said the old saw should be revised to read from "don't change horses in mid stream" to "ride two of 'em across."

### Decontrol Petition Gets State's O.K.

Governor Earl Warren Tuesday signed Sierra Madre's petition for decontrol of rents.

In a telegram received by City Clerk Lawrence B. Brain early Wednesday morning, the city was formally notified of the action. Under the signature of Beach Vasey, legislative secretary, the telegram stated:

"Governor Warren has today (Tuesday) signed the certificate of decontrol of rents for Sierra Madre."

City Attorney T. Guy Cornyn said Governor Warren's approval "was the major hurdle" in Sierra Madre's efforts to decontrol.

"Although the petition must now go to Housing Expediter Tighe Woods in Washington, this phase is little more than a formality. There will be no difficulty there, but it may take two or three weeks," Mr. Cornyn said.

The City Council on December 13 had recommended that rents be decontrolled here following two public hearings.

### FILINGS TO CLOSE FOR SCHOOL BOARD

Wednesday, April 19, is the last day to file candidacy for a vacancy on the City School Board.

Only filing so far for the one seat was by the incumbent, Howell N. White Jr.

Candidates may file either through the City School office or the Los Angeles County School Superintendent's office.

The election has been set for Friday, May 19.

### Paul Johnson Given New Gaza Duties

Paul Johnson, 720 Skyland Drive, who has been administering the \$4,000,000 refugee program in Southern Palestine since December, has been asked by the United Nations to remain on as director when the UN takes over complete control May 1.

Mr. Johnson, executive secretary for the Southwest Regional office of American Friends Service Committee, previously had administered the program jointly with the League of Red Cross Societies and the International Committee of Red Cross. Now, he will serve as director for the entire area.

Maintaining headquarters in Gaza, Palestine, the ancient city in which Sampson is said to have destroyed the temple, Mr. Johnson's principal duties will continue to be the feeding of some 120,000 refugees.

Mr. Johnson is the brother-in-law of Miss Susan Hansen of Sierra Madre. Mrs. Johnson is aiding her husband in the Palestinian work.

### COUNCIL MEETS FRIDAY NIGHT

The City Council has scheduled a regular adjourned meeting for Friday evening, April 14, at 8 p. m.

Councilmen "went through the motions" of having a meeting Tuesday evening, but promptly adjourned because of the municipal election.

A meeting had been planned for last night, but it was canceled when three of the Councilmen indicated they would be out of town.

### Public Forum Postponed

Because of a conflict in dates, the public forum scheduled for Friday night, April 21, has been postponed.

The City School auditorium had previously been reserved for that night by another group, it was disclosed this week. Speakers at this, the first of a series of forums featuring state and county officials were to have been Supervisor William A. Smith and County Assessor John R. Quinn.

"This forum still will be held," Coordinating Council President John Conzelmann explained, "but not for a week or so later than we had planned."

New date for the forum will be announced in next week's edition of the NEWS.

The forums are to be presented through the cooperation of member groups of the Coordinating Council and the NEWS.

## KINNEY, EATON, AND BLACK ELECTED TO CITY COUNCIL

### DEADLINE TODAY FOR VOTER REGISTRATION

Today, April 13, is the deadline for voters wishing to register for the June 6 Primary election.

Residents may register at the City Hall up until 5 p. m. today.

City Clerk Lawrence B. Brain pointed out that citizens must re-register if they did not vote in either the Primary or General elections of 1948; if they will become 21 years of age by today; or if they have moved since they last registered.

WILLIAM KINNEY

### 46.6 Per Cent Vote Recorded In Election

In a 46.6 per cent vote Tuesday, Sierra Madre voters elected three City Councilmen. They are the present incumbent, William Kinney, Noren Eaton, and Alexander Black. Winning in all seven voting precincts, Councilman Kinney received a total of 1174 votes. There were 1821 votes cast—222 more than recorded in the municipal elections of April, 1948.

NOREN EATON

Mr. Eaton, an attorney and former City Judge, amassed the next highest vote, 999. A total of 665 votes was recorded for the third councilmanic choice, Alexander Black. Mr. Black is a sales representative of American Can Company.

"Runner-up" in the election was Al S. Myers, former mayor and city business manager, who recorded 565 votes.

Other candidates, in order of number of votes each received, were Francis Eakman, 513; Ar-

### Nursery School Plans 'Big Top' Party - Dance

Gala carnival atmosphere and lively dance music are planned for Saturday evening, April 29, when members and friends of the Sierra Madre Community Nursery School Association present a "Big Top" dancing party at the Woman's Clubhouse.

Celebrating the recent completion of the Association's new Nursery School building, Sierra Madreams will dance to the music of Eddie Costello's 13-piece orchestra, the same group that played at the association's annual Christmas dance.

Dancing will be from 9 to 12:30, with special entertainment features in keeping with the carnival theme planned for the intermission.

Mrs. J. P. O'Neill, general dance chairman, has named the following committee chairmen for the informal dance: Mrs. John Carr, decorations; Mrs. John C. Loomis Jr. and Mrs. William D. Lanier, tickets; Mrs. Victor Daniels, refreshments; and Mrs. C. E. Bartley, Mrs. George Barnett, and Mrs. Kenneth M. Bush, entertainment.

The dance primarily is a social function, but association members and friends who attend are asked to donate a dollar. All proceeds, above necessary expenses, will go into the association's building fund.

### Officer Fish Resigns From Police Duties

Officer Stanley D. Fish this week resigned from the Sierra Madre Police Department. His last day of duty was Sunday, April 9.

Mr. Fish, who lives at 130 E. Montecito, will be employed at Aero-Jet Laboratories in Azusa. He had been with the City Police Department for nearly six months.

## Mrs. Dane's Interest in Schools Began at Birth

(Editor's note: This is the second in a series of three biographical sketches on members of the Sierra Madre City School Board.)

When Mrs. Edith T. Dane says she has been interested in education all her life, she means just that.

For Mrs. Dane, a member of the Sierra Madre City School Board, literally was born in school. She was born and raised in a boys' school in Ojai, California, where her father was a teacher.

Following a family tradition, her grandfather also was an educator. Mrs. Dane maintained an active interest in academic practices throughout her own school days and then became a teacher herself.

She taught for two years in Boston, and, for several years, was on the science faculty at Anoka School for Girls.

As a high school girl, Mrs. Dane attended the Katherine Branson Boarding School at Ross, California. At Vassar College in New York, she received a bachelor's degree in zoology and education. Mrs. Dane also has completed graduate courses at the Harvard University School of Education.

Mr. and Mrs. Dane (her husband's name is Francis S. Jr.) have been residents of Sierra Madre for seven years, living at 226 Olivera Lane. Mr. Dane

### Large Crowd Hears 'Seven Last Words'

The Congregational Church was filled to capacity Good Friday evening, when the Sierra Madre Community Chorus presented a one-hour concert of sacred music.

Under the direction of Director Stewart Matter, the choral group presented four anthems and Theodore Dubois' cantata, "The Seven Last Words of Christ."

The anthems were composed by Sierra Madreams. They were "How Sweet the Name" and "I Will Forgive" by Dean Arnold G. H. Bode; and "O Glorious

## Rikeman's Window Tells Easter Story

As in years past, the window of Rikeman's Gift Shop was decorated so as to portray the religious significance of Holy Week.

A white wooden cross, a Bible open at the Resurrection story, an Easter Lily, and several religious figurines feature the display.

At the foot of the cross, which is entwined by delicate smilax, lies the Bible with its pages open at the 24th Chapter of Luke.

The figurines, including a head of Christ, were made locally, by Thomas Flynn, 102 N. Mountain Trail.

## City Building Doubles Over March, 1949

Nearly twice as much building activity took place last month as compared with March, 1949.

Building Inspector William Lees said this week that permits amounting to \$136,200 were issued by his office last month. The comparable figure for a year ago was \$79,635.

For the year so far, Mr. Lees pointed out that Sierra Madre is doing three times as much building as the first three months of last year.

Building permits of more than \$500 were issued during March to the following:

Mr. and Mrs. E. Hinojos, to build a house at 500 E. Montecito, a permit for \$5250; Mrs. Austa Andrews, to alter a dwelling at 450 Ramona, permit for \$1500; Byron Yeram, to erect a dwelling at 170 S. Michillinda, \$8000; Frank A. Myers Jr., to build a house at 201 W. Grandview, \$10,000; Margaret Davidson, to build a guest house at 321 Ramona, \$4000; Robert Renee, to build a house at 453 N. Auburn, \$6000; C. D. Wildey, to add two rooms and a bath at 614 Fairview avenue, \$2000;

Miss Bagman, to add to and alter a dwelling at 75 N. Baldwin, \$2000; Robert O. Foote, to alter and add room to his home at 807 Skyland Drive, \$1500; Aubert Johnson, to build a house at 462 Manzanita, \$10,000; A. R. Hoover, to build a house at 282 Ramona, \$8000; Elmer F. Bauer, to erect a dwelling and garage at 142 E. Miramonte, \$8000; E. Gebert, to alter a dwelling at 900 S. Michillinda, \$500;

T. C. Sampson, to build a house at 806 Skyland Drive, \$5000; Inez Tunison, to alter a garage to a dwelling at 167 1/2 E. Highland, \$1000; Roy B. Parks, to build a house at 833 Canyon Crest, \$10,000; W. W. Dimer, to erect dwelling and garage at 88 Lowell avenue, \$11,500; A. S. Hicks, to alter a house at 395 N. Auburn avenue, \$600;

## U. S. Senate Retains Former Resident To Check Filmland

Stephen S. Jackson, former resident of Sierra Madre, has been hired by the U. S. Senate Commerce Committee to make an investigation of morals in the Hollywood movie colony.

Mr. Jackson, who lived at 470 W. Sierra Madre boulevard from August, 1947, until October of last year, will act as "a technical consultant in connection with problems arising from consideration of legislation involving the motion picture industry."

Senate hearings on the proposal to license actors and the interstate shipment of films are scheduled to begin May 15. Formerly a judge of the Children and Family Court in New York, Mr. Jackson was employed by the Production Code Office for several years.

## Chamber Bd. Asks 'Ideas' For Projects

Suggestions for possible future projects of the Chamber of Commerce were asked of all Chamber members last week at a meeting of the Board of Directors.

"We hope all members of the Chamber will suggest from three to five projects," President Al E. Morgan explained. "From the proposed lists, several projects will be selected for immediate attention."

New Chamber committee members for 1950 were appointed at the meeting.

Mr. Morgan named a chairman and one member for each committee. The chairman, himself, will appoint a third member. Committee members are:

Membership Committee: Al Wetherbee, chairman, and Francis Danielson; Public Relations: Lucille Eaton, chairman, and Felix Gibian; Ways and Means: Harold Stein, chairman, and Larry Garland; Special Events: Emil Smith, chairman, and Bob Green; Entertainment: Francis Danielson, chairman, and Carl Hansen; Civic Problems: Frank Spencer, chairman, and John Conzelmann.

During the meeting, the Chamber invited School Superintendent Charles Skutt to look into the possibility of establishing a "proctor system" at the City School. The proctor would be an older student appointed to help pupils in crossing busy streets near the school.

The Chamber suggested that the Heavy Mortar Company, California National Guard, might be interested in taking over the project whereby house numbers would be painted legibly on curbs in front of each house.

Resignations of two board members, Harold Spears and Eddie D. Robertson, were received.

## CARS DAMAGED IN ACCIDENT

Minor automobile damage was reported last week in a collision at the intersection of Santa Anita Drive and Grandview.

Two out-of-town drivers, John T. Smart of Monrovia and Isaac Cline of La Canada, were the drivers whose cars crashed shortly before 5:30 p. m. Sunday.

The left front door of one car and the right front fender of the other were dented in the accident. No citations were issued.

## Lions Present Eye Chart To School

A green electric eye chart has been presented to Sierra Madre City School by members of the local Lions Club, according to Miss Betty Newton, vice-principal.

Dr. Daniel D'Arcy, who aided in the selection of the chart, pointed out that the type chosen is widely used throughout Southern California to aid in detecting abnormalities in eyesight.

Miss Newton said the instrument looks like a "box with letters on the side which show when the light inside burns."

Presentation of the eye chart was made by Oscar Willumsen, chairman of the Lions' conservation committee.

## Rep. Carl Hinshaw Will Speak Tonight

Congressman Carl Hinshaw, who returned to Pasadena last Thursday for a brief visit to his district, will present one of his major addresses of the Primary campaign at the McKinley Junior High School on S. Oak Knoll avenue this evening, April 13, at 7:45.

The meeting will be under the auspices of the Republican County Central Committee of the 47th Assembly District. Joining with the committee in sponsoring the meeting are the Pasadena Republican Club, the Republican Women's Division, and the Pasadena Young Republicans.

Congressman Hinshaw's subject will be: "A Report to the People."

## CHAIRMAN PUSHES CANCER CAMPAIGN

"Continued progress in cancer control depends entirely on the success of the 1950 Cancer Crusade which opened April 1," Dwight L. Clarke, Southern California Campaign Chairman for the American Cancer Society, declared this week.

"The Los Angeles County branch of the society is seeking at least \$415,333 as its share of the \$14,565,000 minimum national goal."

Fifty per cent of all money raised will remain in the county, with the other half going to the national and state organizations, which in the past have returned more than was sent to them for research projects being conducted in this area.

## Children Dedicated

Three Sierra Madre babies were dedicated at the Nazarene Church Easter morning by Rev. Orian Burlison.

They were: Robert Charles Ingram, son of Mr. and Mrs. Robert B. Ingram; Andrea Lynn Parker, daughter of Mr. and Mrs. Furman Parker; and Dennis Dion Durby, son of Mr. and Mrs. Harold Durby.

## S. M. Blvd. 'Operation' Completed

If Sierra Madre boulevard could talk it could boast about its "latest major operation."

Vernon Udell, city street foreman, said the "incision" would be closed today. Eight-inch water mains were substituted for the 6-inches formerly in use from Baldwin to Auburn.

Mr. Udell said work was delayed slightly by weekend storm damage, but that "it could have been much worse."

## Virg R. Smith Commissioned In Army Reserve

Virg Smith, 241 N. Lima, Tuesday was commissioned a second lieutenant in the Organized Army Reserve.

## Lewis, Mrs. Woodworth Named to Committee For L. A. County X-Rays

Red Cross Chapter Chairman R. C. Lewis and Mrs. P. R. Woodworth, of the Coordinating Council, have been named to the steering committee of the Los Angeles County X-Ray Survey.

This committee, selected from the 1000-strong county-wide board of counselors, is working on plans for setting up regional boards of counselors to promote the survey in each of the 16 regions into which Los Angeles County has been divided.

At some time during the nine months of the campaign to x-ray three million persons in the county, x-ray units will reach into each of these areas so that every resident may have access to them. As of Saturday, 86,842 persons had been x-rayed.

Opening of a "retake" center as a part of the county-wide free chest x-ray survey now being conducted was announced this week by headquarters of the Los Angeles County X-Ray Survey Foundation.

The center, which is located at 156 S. Hill street in Los Angeles, is for the benefit of those whose free chest x-rays show need for further study. It will be open from 8:30 a. m. to 5 p. m. Mondays through Fridays.

## 40 Try Out For Team

More than 40 players have reported to try-out practices for the VFW-sponsored softball team, according to Larry Shepherd, team manager.

The team has been entered in the Pasadena Owl League and played its first practice game last Friday.

Team work outs were conducted every night last week at the city's new baseball diamond. Mr. Shepherd said several other organizations also are planning either softball or hardball teams.

**COCHRAN FAMILY PARTY**

## FIRE FLAMES

There are (or must be) a lot of people who wonder what sort of men Volunteer Fire Departments are made of. A man must be 'nuts' to want to be a member of an organization that requires so much devotion of time and expense.

Why should a fellow enjoy leaving his comfortable bed to rush to a location where he may meet with fatality or at least endanger his life? When you look the guys over, they appear to be normal humans.

Answering for them—because I am one—I would say that you have to be 'nuts'. You must be 'nuts' to enjoy the work of a fire fighter—but we do!

It's fun but not funny to be active in preventing fires from becoming destructive or to stop a fire from reaching further destruction. We must be able to make fun out of it and to do this, we must have the whole hearted support of the townspeople. We could hardly be expected to be "good-nuts" if we felt that being so was not appreciated.

Perhaps there are many residents who give little thought to the importance of a fire department. If we do not have fires—that should be an indication that the fire department is doing a good job in prevention. If we must have fires to prove to some people the importance of the fire department, then there is some wrong thinking along the line.

We still have those who resent being asked to follow the rules about burning. They are the type who insist that they have been following a certain procedure for years and years. They do not realize the changes during the many years of their life.

It is not safe to build an open fire near a building or dry weeds and brush. There are those who belittle the suggestion of danger. You can't do that! If the rules are not followed by all—there will be an accounting.

If we continue to have low fire losses—we are bound to be noticed throughout the county. If we are careless—we are not going to retain our low fire loss record. Help us to help you and the city.

Although there has been no alarm of late, we have had two calls that were taken care by the men at hand. Both could have been disastrous.

One was the result of a common mistake. An electric iron was left turned on and forgotten. It burned its way through the board and into a basket full of clothes. There was little damage other than the loss of the basket, loss of the iron and cord and a few other miscellaneous articles.

We are thankful that it was discovered in time. We urgently request people to call the fire department even though you may think the fire is under control. We would much rather have been there and found the fire out than to have arrived after it got a good start.

We still think it fun to answer a call but do not think it funny if we are unable to keep the fires down.

Help keep the FIRES OUT.

## St. Rita's Shrine Scene of Lovely Wedding Monday

A lovely wedding took place Monday at St. Rita's Shrine, 10:00 a. m., when Fr. Leo Scheibel united Mary Louise Grevillot and Alfons Baur. The church was beautifully decorated and the musical ceremony was very impressive.

The bride, given away by her father, P. R. Grevillot, was very lovely in a Copenhagen blue suit and white accessories with a white orchid corsage. The bride's mother chose a gray dress and her corsage was pink roses. The bridegroom's mother wore a black gown with a pink rose corsage.

The wedding breakfast for 20 was served at the Washington Inn, Altadena, and the cutting of the cake followed at the bride's home on East Sierra Madre boulevard.

The new Mr. and Mrs. Baur will be at home in Inglewood where Mr. Baur is employed by the government, following a trip to San Francisco.

## In Spite of Rain, Easter Egg Hunt Not a Failure

In spite of a disappointing downpour Saturday afternoon, Sierra Madre Firemen did not consider the traditional Easter Egg Hunt at the City Park a complete failure.

"Even though the games, contests, and 'hunting' phases of the Hunt had to be canceled because of the rain, we were able to accomplish our main purpose—presenting candy and eggs to the youngsters of Sierra Madre," Fire Chief James C. Heasley said.

"A lot of the frills and fun were eliminated, but many of the boys and girls were given the Easter goodies, anyway," he philosophized.

Chief Heasley said between 200 and 300 children showed up at the park at 2 o'clock and were presented gaily-colored eggs and bags of candy. (The volunteer firemen Friday evening had painted approximately 1260 hard-boiled eggs and packed nearly 1000 bags of candy.)

Following the afternoon matinee at the Sierra Madre Theater, additional eggs and candies were distributed to local youngsters.

"On Sunday, we flagged down cars that had children in them and were able to give away the remainder of the Easter sweets," the Chief said. "Nothing went to waste."

The Easter Egg Hunt is presented each year using a part of the proceeds received from the Firemen's Christmas Dance.

The Danes have three children—two of which currently are students at the City School. They are Billy, sixth grade; Frank, third grade; and the 1-year-old baby sister, Nancy.

A member of the School Board for two years, Mrs. Dane also is active in the Congregational Church and is on the Board of Directors of the Sierra Madre Community Nursery School Association.

Mrs. Dane "fervently hopes" that Sierra Madre voters will approve the \$86,000 school bond election issue scheduled for May 9.

"I feel that the children of our nation are the most important investment any American can make," she declared.

The approved school bonds would purchase four additional "badly-needed" classrooms to partially relieve the school's present "dangerously-crowded facilities."

## 'As Husbands Go' Opens At Playhouse

Almost as much a fashion show as it is a sparkling comedy, is Rachel Crothers' "As Husbands Go," which opened its two-week run at Pasadena Playhouse last night, April 12.

Two women—one a widow, whose husband is "perfectly and honestly dead" and the other whose husband is very much alive—return home from Paris, each with a man—the marriageable kind—as a souvenir.

Dubuque, Iowa, and its men seem too tame, and offer no glamour for the dancing, wine, and handsome escorts they knew in the Eiffel city.

Barbara Vjada directs a top-flight cast headed by Don Shelton, Lillian Hamilton, Gloria Folland, John Wengraf, and Harvey Mitchell.

## DICKENS ENTHUSIASTS

Mrs. W. S. Hull of 542 W. Montecito, will be hostess at the monthly Dickens Fellowship meeting, April 20 (Thursday) at 2 p. m. Mrs. W. L. Porterfield and Mrs. Ralph Jones will read.

**MIGHTY SAMSON** (Victor Mature) succumbs to the charms of Delilah (Hedy Lamarr) just as any man would. The two have the title roles in "Samson and Delilah," Cecil B. DeMille's Paramount production in Technicolor which started at the Crown Theater in Pasadena Easter Sunday, April 9.

## EASTER WEEK PLAY CAMP WELL-ATTENDED

An average of 175 youngsters—of kindergarten age through the teens—took part in Sierra Madre's weeklong program of supervised recreation during Easter vacation.

Sponsored by the City School and the Recreation Commission, the daily programs conducted at the School included organized and free playground and indoor games, crafts, and motion pictures.

Recreation Director Samuel E. McElfresh was in charge of the "play camp" assisted by Ralph Pinney, Mrs. John Pascoe, Mrs. Gladys Carter, and Mrs. Frances Gentry.

Among those of the younger set enjoying the week's recreation facilities were an average 30 or 40 teenagers.

Craft work included painting and clay modeling—and, on Friday, dying eggs for Easter.

Sound-color films were presented each afternoon through the cooperation of the Audio-Visual Department of the Los Angeles County School System. Film subjects portrayed Navajo sand painting, the circuses, life of the cowboy, and a visit to the zoo.

## Son of 1945 Wistaria Queen Lost in Iowa

Christopher Griffith, 3-year-old grandson of Mr. and Mrs. Roland Adams of 217 W. Highland, was the object of a seven-hour search last Wednesday night when he was lost on the Kinkbine Golf Course near his home in Iowa City, Iowa.

Chris, son of Dr. and Mrs. J. E. Griffith (his mother is 1945 Wistaria Queen, Betty Jo Adams) disappeared from his home about 7 p. m. After a frantic search he was found at 3 a. m. lying in a clump of brush—safe, but chilled and exhausted.

According to front page headlines in an Iowa City newspaper, more than 200 residents and the police and fire departments searched in the 27-degree cold while his mother called to him over a loudspeaker system.

He was treated at the hospital and is now reported to be completely recovered.

## MENTAL STIMULUS

There are those today who say that alcoholism is a disease.

For years the Doctors in this country battled the disease "malaria" without success until it was discovered that swamps breed mosquitos carrying germs which caused malaria. Subsequently swamps were dried up and Malaria in this country is rare today.

If alcoholism is a disease, no one contracts it except those who imbibe in alcoholic beverages. The way to destroy this disease is to dry up the source. The source is the alcoholic beverage industry.

Just plain common-sense, isn't it?

## Water Is 'White Gold' .. Lanterman

"Water in Southern California is 'white gold,'" Frank Lanterman told Kiwanians of Sierra Madre and Azusa Tuesday noon at an interclub meeting conducted under the Wistaria Vine.

Mr. Lanterman, who is a candidate for the State Assembly from the 48th District, declared that "it is criminal to waste water. People throughout the nation must be educated that water is our most valuable single resource."

He said the United States will have a "dehydrated economy" if we don't do everything in our power to conserve and reclaim water.

"New York, through its lack of a water program, was an indication of what we face unless we integrate our various city, county, and state water conservation and reclamation programs and act as a unit," Mr. Lanterman stated.

In Southern California, our responsibilities are multiplied because of this area's tremendous growth. "In the face of this growth and the prolonged dry periods, we must consider

water 'white gold,'" he said.

The speaker, who is vice-president of the Valley Water Company in La Canada, praised Sierra Madre's program to divert water from the Big Santa Anita.

"Sierra Madre is doing the job it always has done," Mr. Lanterman commented. "This city is working out its own problems—but at the same time cooperating with county and state programs."

"Sierra Madre's Santa Anita diversion project seems to be a reasonable solution to your water problems. As far as I can see, you are entitled to the water and I am anxious to see it go through."

Chairman of the day was Harry Lange, who introduced the speaker. President Jim Spencer presided at the meeting.
